There are two versions of *KET/PET* available: *KET/PET* and *KET/PET for Schools*. Both follow exactly the same format and the level of the question papers is identical. The only difference is that the content and treatment of topics in *KET/PET for Schools* have been particularly targeted at the interests and experience of school pupils.

They have the same international recognition and candidates will receive the same certificate as candidates who take *Cambridge English: Key/Preliminary* (Aka KET and PET).
